

Welcome to Chipsy,

Where delicious smoky flavours meet culinary creativity! Back in 2017, we started as a loaded fries concept, and over time, we've evolved to offer a range of exotic dishes inspired by our festival experiences. Currently, we're in the midst of our soft launch, where we're fine-tuning our menu, experimenting with drink combinations, and carefully considering our prices and platters. This process is all aimed at ensuring that your dining experience with us is nothing short of exceptional. In just a few weeks, we'll be opening our doors fully, and we can't wait to share our love for smoky and savoury delights with you. During this soft launch, we're eager to hear your thoughts and preferences. Your feedback is invaluable in helping us shape our final offerings to meet and exceed your expectations.

We invite you to share your experiences and leave reviews on Google. Your insights will guide us on this exciting journey, as we work together to create a dining destination that truly stands out. Thank you for being a part of our soft launch adventure at Chipsy. Stay tuned for updates, and get ready to relish the irresistible flavours that await you!
